The Corona Summer

A very different year

Imperial Potentate James R. "Jim" Smith

On Saturday, July 11, James R. "Jim" Smith of Georgetown, Texas, was elected Imperial Potentate of Shriners International, part of the 12-member body that helps govern the Shriners fraternity, during the Shriners' 2020 Imperial Session in Tampa, Florida. As Imperial Potentate, Smith is the highest-ranking Shriner in the world, and serves as president of the Board of Directors of Shriners International and chairman of the Board of Directors of Shriners Hospitals for Children. This is Smith's 10th year as a member of the Boards of Directors for Shriners International and Shriners Hospitals for Children.

Getting to know Jim Smith

A native of Racine, Wisconsin, Jim Smith spent his childhood summers on his father's family farm. "I really enjoyed that time. It was a great way to be raised," he said.

Growing up, the importance of family and faith were deeply instilled – to this day, he continues to uphold the conservative values and Lutheran faith of his family.

Smith received his bachelor's degree in business administration from the University of Wisconsin. He studied for his MBA at the Keller School of Management in Chicago.

Jim Smith and his wife, Alice Smith, first met through a blind date. They were married 10 months later in Alice's hometown of Kilkenny, Minnesota, and will celebrate their 48th wedding anniversary in August.

For more than 30 years, Smith worked in the material handling business. As his career with a conveyor systems company progressed, the family moved quite often, mostly to various cities in Wisconsin and Minnesota, but they also spent time in Illinois and on the East Coast. Eventually, they purchased a fuel company in Phillips, Wisconsin, which was their last move before retiring to Georgetown, Texas.

The Smiths have a son, Jason, and a daughter, Abby, and five grandchildren. The fraternal tradition will continue in the Smith family for at least the next generation – both Jason and Abby's husband, Greg, are also Shriners. Smith's hobbies include traveling, barbecuing and visiting with his grandkids.

The future of the Shriners Fraternity

Smith became a Mason on Feb. 13, 1999, and a Shriner in 2004. He joined the fraternity as a way to acknowledge and give back to the organizations that assisted a nephew who had orthopaedic difficulties, and received care at Shriners Hospitals for Children — Chicago throughout his childhood.

Smith first joined Zor Shriners in Madison, Wisconsin. When the family moved to Georgetown, Texas, Jim joined Ben Hur Shriners in Austin, where he participated in the Provost Guard and helped transport children to and from the Texas Shriners Hospitals. He also sat on the Board of Governors for the Houston Shriners Hospital.

In 2009, Smith served as Potentate (president) of Ben Hur Shriners. That year, the temple (chapter) had a balanced budget for the first time in many years and was awarded a Gold Membership Award for a net gain in membership. It was the first time Ben Hur Shriners had achieved gold status in 38 years.

Smith became a member of the Shriners' Boards of Directors to make a difference. "I really thought I could help," he said. "We need to strengthen the temples and ensure they are places where people want to go, and are welcomed."

Smith believes the fraternity needs to emphasize and focus on its original purpose of bringing fun and fellowship to a Masonic organization.

"When the Shriners fraternity started in 1872, its purpose was fun and fellowship," said Smith. "We did well with that – but we've lost our focus. As Imperial Potentate, I will try to put Fun and Fellowship back in the fraternity."

Initiative of Noble Frank Ullmann,

To spread a little bit of happiness and joy in these times, our Noble Frank Ullman has initiated this collage on Facebook. Thank you, dear Noble Frank, and let us spread these pictures. (SB)

Bavaria Shrine Club

The Bavaria Shrine Club, an initiative of the Freemasons, donated 3333.33 euros so that six-year-old Sophia Kinhackl from Pfaffenhofen can start the second dolphin therapy with her parents Dorothee and Ralph.

The report about the Kinhackl family and the heavy fate of the little daughter Sophia, who suffers from a genetic defect that has not been diagnosed exactly, caught the attention of the Bavaria Shriners. They spontaneously decided to make a donation of 3333,33 Euro for the upcoming trip to the dolphin therapy. On a Sunday the symbolic donation cheque was handed over. Under the direction of the founder of Bavaria Shriners in Bavaria, Christoph Hiendl, a small group informed itself on site about the personal situation of the Kinhackl family. The main purpose of the charitable Shriners organization is the operation and maintenance of 22 children's hospitals in North and Central America.

Wattolümpiade

Liebe Nobles und Anhänger der Wattolümpiade, liebe Mitglieder des Emirats Shriners Team.

Die Wattolümpiade fällt, wie ihr wisst, dieses Jahr leider der Corona-Pandemie zum Opfer. Seit jeher floss der Gewinn aus dieser Veranstaltung dem Verein „Stark gegen Krebs“ zu, der damit neben Neuanschaffungen und Projekten auch eine Menge laufender Kosten finanzierte. Dieses Geld fehlt nun.

Lasst uns diese großartige Idee unterstützen und dem Verein Wattolümpiade eine Spende, für die Krebsbekämpfung, zukommen lassen. Mag ein jeder, der zur Wattolümpiade kommen wollte, ob als Wattlet oder als Zuschauer, sich überlegen, wieviel er dort an diesem Tag ausgegeben hätte und wieviel er davon dem Verein Wattolümpiade spenden möchte.

Wir sammeln das Geld und überweisen es dann, als eine Spende vom Team Emirat Shriners, an den Verein Wattolümpiade. Natürlich ist auch jede Spende eines Nicht-Wattolümpiafanatikers höchst willkommen.

Nobles Udo Schonecke, Fritz Caesar Casper

Dear nobles and fans of the Wattolümpiade, dear members of the Emirate Shriners Team.

As you know, the Wattolümpiade unfortunately fell victim to the Corona Pandemic this year. The profits from this event have always been donated to the association "Stark gegen Krebs", which used them to finance new acquisitions and projects as well as a lot of running costs. This money is now missing.

Let us support this great idea and make a donation to the association Wattolümpiade for the fight against cancer. May everyone who wanted to come to the Wattolümpiade, whether as a Wattlet or as a spectator, think about how much he would have spent there that day and how much he would like to donate to the association Wattolümpiade.

We collect the money and then transfer it, as a donation from the team Emirate Shriners, to the association Wattolümpiade. Of course every donation of a non-Wattolümpia fanatic is very welcome.

Udo Schonecke, Fritz Caesar Casper

Brother Björn, an Entered Apprentice member of the Wattolümpiade team started a special Fund raising project to support the fans of the Wattolümpiade and members of the Emirate Shriners Team.

Sad about the cancellation of the Wattolümpiade and furthermore as a Freemason and military veteran of the Bundeswehr a special connection to the Forget-me-not.

I inquired around and had masks made. I had made 100 masks, I still have a few.

After deducting fees and applicable taxes, I donate 7€ per mask, so 700E in total.

I am still an apprentice myself, but I feel very attached to the purpose of the Nobles of the Shriners. Brotherly greetings Björn

We all thank Br. Björn, for this project and the funds it collected

MASA

The first event to fall by the wayside due to Corona Virus was the Spring Meeting of the Mid Atlantic Shrine Association (MASA). They were also one of the first Shrine Organizations to conduct their meeting via the Internet. On 18 April 2020, MASA held a Zoom meeting. It was attended by over 160 Nobles; every Temple in MASA was represented. A very large group of Emirat Shrine Center Nobles attended as it was open to all Nobles. Emirat Shrine Center is a member of MASA, so this was a great way to get closer to our association.

Emirati Shriners Supporting Shriners Hospitals for Children

Your Representatives were not able to attend the Imperial Sessions in person. (Due to the Corona pandemic) There fore we were not able to present our donation in person. But none-the-less Emirati Shrine Center made our donation. All Emirati Shriner can be proud of your support of "The Shriners Children".

The region of Lombardy in Italy, as well as the whole country of Italy, was experiencing very hard days full of fear for the evolution of the epidemiological crisis due to the "Covid-19" virus.

For that reason, the Worshipful Masters of the Lombardy region of the Grand Orient of Italy, in which many of our Nobles reside, felt the desire to take concrete actions.

They requested donations which were answered by many of our Brothers and Nobles. The Istanbul Shrine Club was one clubs that donated monies to purchase Medical-material.

Rome Ceremonial and founding of a new Club in Rome.

This above headline was the planned headline for an article for this edition. But, due to the pandemic this event had to be canceled. If we would have been able to conduct the ceremonial we would have created 21 new Nobles and added another club in Italy. We are monitoring the situation in Italy and as soon as it is safe we will conduct the ceremonial.

To the Candidates and Nobles of the soon to be Rome Club, we have not forgotten you. We know you are all working hard to make this happen and we will make it happen as soon as possible.

At this crucial moment for Lombardy and for Italy we feel the desire to "be there", to do our part to the end, as it has always been in the tradition of the Freemasons.

For this reason, the College of Worshipful Masters of Lombardy in the Grand Orient of Italy wants to be at the side of all women and men of good will who feel the desire to take the field with concrete actions, with gestures that know how to grasp severity and the uniqueness of this moment.

The College of Worshipful Masters of Lombardy has decided to start a public charity open to all those who share our desire to deal immediately and together with the health emergency and then, once overcome, to finance research to eradicate COVID-19.

Why do we say "now and beyond the emergency"? We have the unshakable certainty that we will emerge from the emergency but we must also know how to think about "after", how to eradicate this virus, and this can only be done by Science.

Who, together with us, will participate in this subscription will help finance a concrete and immediate action (the purchase of beds for the intensive care units of the Hospitals of Lombardy and an ambulance) and will support, together with us, the research team of Luigi Sacco Hospital in Milan, in the trenches in the fight against coronavirus.

FOR THE EMERGENCY

LET'S ENHANCE THE INTENSIVE THERAPY: DONATE NEW BEDS

We are absolutely convinced that everyone has the right to recover and for this reason we want to donate as many beds as possible to the intensive care units of the lombard hospitals.

LET'S BUY AN AMBULANCE

A second immediate objective is to purchase an ambulance to donate to the voluntary association EMERGENZA MILANO SOCCORSO

BEYOND THE EMERGENCY

LET'S ADOPT A RESEARCHER

Let's concretely help the research team of Luigi Sacco Hospital in Milan by financing the activity of researchers who are working as quickly as possible to develop a vaccine.

Dear Ladies, dear Nobles

A long time ago, we had a Clown Unit at Emirat Shriners. Unfortunately, the unit is not active anymore.

Lady Pia and I have been in contact with the clown Michael "Kornbread" Higgins from the Shanangian Clown Unit in Houston Texas. He is retiring now, and we took over his outfit and equipment.

Since there is a need for hospital clowns in the northern part of Germany (Schleswig-Holstein), Pia and I talked about filling the gap. So, we decided to participate in some courses to learn being a hospital clown.

We would like to do it as Shriners and as an official clown unit under the Emirat Shriners. Kornbread from the Shanangian Clown Unit has granted his support, there are a lot of clown units in the world which can supervise, and the Divan of Emirat Shriners is positive about this idea.

Since our temple is a little bit different compared with temples in the US, the unit will also be a little bit different. We could have 2 annual meetings for the unit (at the ceremonials) and then every "local" clown does his/her work in their country or local area. The activities would be reported in the "Kamel Tales" to inform each other on what is going on.

Every once in a while we would arrange events where all Emirat Shrine Center Clowns could participate, i.e. Brezel Parade, or local hospitals in the countries where we have clowns. Just need some brainstorming – and ideas.

If you are interested in this, and even if you have no idea how to act clownish, let us have a talk about it at the next Spring Ceremonial or contact Noble Sven by mail bremer.sven@gmail.com or phone 0045-61696913 or Lady Pia by mail piaf@esenet.dk phone 0045-29733318

After evaluating the interest among the Nobles and Ladies we will take a step further to officially starting up the Clown Unit under Emirat Shriners (again).

See you at a Ceremonial...
Noble Sven and Lady Pia

Temple Units and Shrine Clubs Elections of officers

ARTICLE 9

Temple Units and Shrine Clubs

§ 9-4. (§9-11.) Election of Officers. The election of unit officers (club officers) shall be held on or before October 31st each year; such officials must be members in good standing of Emirat Shriners in order to be eligible for election and to qualify as officials, and having qualified as such must continue to be a member in good standing of Emirat Shriners. Officials are subject to approval by the Potentate.

With a change that was made to the By-Laws of The Shriners International, Emirat Shrine had to make changes to our By-Laws. This now makes it a requirement for all clubs and units to change their By-Laws.

We know the pandemic has canceled many of the meetings this year for the Clubs and Unit, but we hope the conditions will improve to a level where it is safe to start holding meetings again.

VIRTUAL MENTOR PROGRAM

Do you remember that special person who made a difference in your life? The person who took the time to ask your name, introduce you around or show you the ropes? If we're lucky, we have one person in our lives that made a positive impact personally or professionally.

Being a Virtual Mentor is your opportunity to make the same difference in the life of a man on his way to becoming a Shriner. All it takes is willingness, enthusiasm and time.

As a Virtual Mentor, you will be paired with a Candidate or interested Brother with similar interests in your area. Communicating by phone, e-mail or in person, you'll have the opportunity to share your knowledge and enthusiasm about Masonry and about being a Shriner. You'll answer questions or concerns; help him with his journey to becoming a Shriner. You will also have the opportunity to make a new friend.

Our Membership committee is always looking for Mentors. We get request every month from Brother that would like information about the Shrine and how to become a Noble.

Spring Stated Meeting Emirat Shriners

As you all know due to the Corona restrictions, the Divan was required to cancel the Spring Ceremonial. To preform the functions of the Shrine Center, and with permission from Imperial we held the Spring Stated Meeting on 30 May by Video Conference.

65 voting members were present. The regular business of Emirat Shrine Center was completed in correct form.

The below clubs rendered reports:

Bavarian Shrine Club	Rheinland Shrine Club
Cedars Shrine Club of Lebanon	Shrine Club Romania
Hellenic Shrine Club	Stuttgart Shrine Club
NISO Shrine Club	Emirat Shrine Club Switzerland
ESC Heidelberg Shrine Club	Istanbul Shrine Club
	1958 Wiesbaden Airlift International Shrine Club

The Divan thanks all that took the time to attend this Stated Meeting .

GOLD again

The counting is done! Emirat Shrine Centre and 28 other Shrine Centers have achieved the Membership Hall of Fame Gold Award.

To earn the Gold award a temple must show a net gain or no loss in membership, and members in arrears of their dues must have been suspended by 31 Dec. Due to the hard work of the Potentate, Divan members and Club Presidents Emirat Shrine Center has received Gold again, for the second year running.

Nobles please check your dues card, do you have the 2021 dues sticker on it? If not you should think about paying your dues to Emirat Shrine Centre. You should have already received your 2021 dues notice, if not please contact the Recorder.

Shriner's Children

Nearly 100 years ago, Shriners who believed that, in addition to the fun and fellowship they enjoyed in their great Fraternity, there was also an opportunity to make a meaningful difference in the world, created Shriners Hospitals for Crippled Children. That commitment to making a difference in the world has never wavered. Today, we find ourselves in the midst of an international pandemic that has temporarily changed our way of life.

The same desire to make a difference in the lives of others, exhibited by Shriners at the foundation of our great health care system, is just as strong today as we respond to the needs all around us during this coronavirus pandemic.

As a health care provider, Shriners Hospitals for Children has a robust emergency pre-planning process enabling us to respond whenever the need arises. Having already set up a command and control center at all of our hospitals and our home office, we are now using that preparation to respond in all of the communities we serve, and beyond.

Birthday Greetings

As each Noble knows, or should know, Emirat Shrine Center sends an E-Mail Birthday Greeting to each Noble on their special day.

Noble Petrakis Nicolaou was an excellent Noble very active in all our activities. He was always present to all our events and he was working very hard for our mission. He worked for many years as a volunteer at the annual Shrine clinic in Cyprus helping the children in need.

It is a very big loss for our Club.

Black Time

The Nobles, Ladies, Brother people in Beirut Lebanon are having a very black time.

Last week, with the explosion in the harbor area, located in the middle of Beirut, the city and country was affected like no other area in the last years.

We have had a report that the Nobles and families of our Shrine Club were all well and not injured by the blast.

As you have read in the news or heard on TV, the city was greatly affected by the blast, at the time of this writing there are over 171 dead, 6000 injured and 300,000 homeless.

Several of our Clubs have stated collecting donations to send to the Cedars Shrine Club to support their aid project. If you or your club would like to donate to the Cedar Shrine Club or one of the many organizations taking donations it would be greatly appreciated.

Please remember our Nobles, Brothers and families in your daily devotions.

Grand Master American Canadian Grand Lodge

One of our own Emirat Shrine members, Noble Daniel Jap Lim, was elected Grand Master of the American Canadian Grand Lodge in April 2020 during their Annual Communication.

Upon his election Emirat Shrine presented Most Worshipful Daniel a new Grand Masters Fez. His words were:

Please send my fraternal greetings to the Imperial Potentate and the Nobles of Emirat Shrine. Shriners Hospitals for Children means so much to me. Its' caring for children, it's charity, it's fun. Charity is an essential part of Freemasonry. The American Canadian Grand Lodge and Shriners Hospitals share a common history.

Being a dedicated Noble of Emirat Shrine and now Grand Master of the ACGL, I would like to show that both organizations simply belong together.

Shriners Creed

Shriners believe in God and that He created man to serve His purposes, among which is service to others in His name.

- We believe that care for the less fortunate, especially children who suffer from burns and crippling diseases, is our institutional calling.
- We are patriots, each willing to serve his country with fidelity and courage. We cherish independence under law and freedom with responsibility.
- We honor family. We respect our parents, wives and children. We should instill in our children the tenets of this creed, and the heritage from which it emanates.
- As individuals we pledge ourselves to integrity, virtue and nobility of character. Our intentions will be honorable, our relations will be trustworthy and our spirits forgiving of each other.
- As brothers we offer each other fraternal affection and respect. Together we will support each other in adherence to this creed, so that we and our communities will be the better because of our fraternity and its principles.
- As Shriners we look beyond ourselves to serve the needs of others, especially children who cannot help themselves. We believe Shriners Hospitals to be the world's greatest philanthropy, and we covenant with each other to support its "temples of mercy" with spirit, time, talent and means.

We are working on a project to present the Shriners Creed as a video in different languages, once completed we will share the link to the video. Below is a link to a video that Saladin Shrine did.

Coronavirus

The Corona virus is here and it looks like it will be with us for some time. Masks will probably be here for the same-time period as well. Yes, you probably have several masks in your cabinet, but I am sure you use a couple more. Emirat Shrine Center has commissioned a set of 5 masks.

See below, three are in white and two in black.

When they arrive we will send an email out via our Google Mail Group with all the details on how to purchase them.
