## DeMolay

Chapter DeMolay Deutschland, held a weekend meeting in Cologne. This Chapter of DeMolay International is sponsored by Emirat Shrine. DeMolay is a fraternity for young men age 12 to 21. With the sponsorship from Emirat several years ago the Chapter has grown, this weekend also saw their numbers grow by three. The next gathering of the DeMolay Chapter will be in Hildesheim 10 June followed by the weekend 7 Oct in Dresden. All Nobles are invited to come out and see what the youth can do. Contact Noble Olaf Bettinger for more information to the weekend in Hildesheim.

DeMolay is the premier youth leadership organization building young men of character and dedicated to making young men better people and leaders. Providing a program based on timeless principles and practical experience, DeMolay strives to not only create the extraordinary leader, but a leader of character. DeMolays hold themselves to a higher moral standard, striving to constantly improve and be better each and every day.

DeMolay is a youth-led, adult-advised organization in which young men learn to plan, organize, and facilitate their own programs. DeMolays take part in a wide-range of activities, from athletic competitions, to public speaking tournaments, to community service events. All activities are guided by the interests of the local chapter. If you can dream it, you can do it in DeMolay.

DeMolay provides endless fun and friendships that last a lifetime, even with such a serious mission. When a young man joins DeMolay, he instantly gains over four million brothers across the globe. No youth organization provides such life-changing experiences like DeMolay.

But words are insufficient to describe DeMolay; it must be experienced. Give it a chance and we know you will discover what we already know; DeMolay is the greatest youth organization in the world.

## McGillicuddy Clan

Jimmies all remember the Nobles that helped HA HA them to become Nobles. They taught you the Camel Walk, had you running from one place to the next. They also explained many things about the Shrine International and Emirat Shrine Center. This unit has been working for many years, but it has come to our attention that many to not know that this is a Unit or Clan that any Noble can join. As we have lost several that have past away or returned to the USA we are looking for Nobles. If you would like to join the McGillicuddy Clan and rebuild the interesting Clan contact : Our Swiss Nobles, they have been holding the Clan together for the last years. The Jimmies always need help to learn the Camel Walk, and to learn to walk the Hot Sands of the Desert.

Are Cigars your thing  
then we have a Unit for your.

## Clubs and Units the main stay of any Temple.

As you have read we have a McGillicuddy Clan, but that is just the start. There can be so many Clubs and Units as there are Nobles.

Emirat has a Clown Unit, Pipes, Cigars and Wiskey Unit, Oktoberfest Enthusiasts, and Legion of Honor to name a few.

We also have the Wiesbaden Club, European Shrine Club Heidelberg, NISO "Northern Italy Shrine Oasis", Rheinland Shrine Club, Berlin, Leipzig, Bucharest Club, Stuttgart Club, Alasia Shrine Club of Cyprus, Hanse Shrine Club, Swiss Club, Hellenic Shrine Club Greece with two that are just starting in Turkey and Bavaria.

With so many to choose from, I hope we have something for you.

But if there is not get together with several other Nobles and start a Club in your area or a Unit build around your hobby.

There are still many things out there Beer Brewing, Golf, tennis, cooking, or the other side of the table dining, if you have an interest find some other Nobles and start a Unit.

The Clubs and Units should be the place to have fun, one of the reason for the Shrine.

They are the place where all Nobles with their Ladies and family can get together and enjoy the Fraternal contact and just have fun. These are the places where the ideas are born that help us support the other side of

Shrine our Kids and the Hospitals that help them. Join your local Club and maybe a Unit that covers you interest or just something you always wanted to try.

The editor has a place saved for reports from the Clubs and Units. Tell us what you are doing we will put it in the next Kamel Tales.

## Our Kids

Since the founding of our Emirate Shrine Temple in 2011, we were able to provide access to a Shriner Hospital for 10 Children through our Transportation Fund. What sounds like a small number is a very big thing for us. The Shriners, an organization of Masons, which is little know to many European Freemasons, was able to establish itself in Europe with its own temple and to gain a foothold. The fact that we do not have our own Shriner Hospital here in Europe did not represent a hurdle that we could not overcome through our Passion and to help children.

It is very important for us to make the Shriners Hospitals for Children known in Europe and to signalize who we are, what we do and, most importantly, that we are in Europe.

Potential children for our transport fund are currently still coming predominantly through Nobles of the Shrine or Freemason Brothers, who know of children in their circle of acquaintances with appropriate afflictions. At the moment, however, we have also been contacted by parents who have come to us on the Internet, and have given us their full confidence. This is a very positive development. This is not a matter of course, as we are still widely unknown in Europe.

Helping children is our passion. However, it is not enough to just talk about it. First of all, it takes Nobles, who take the enormous task of organizing such a transport into a Shriners Hospital for Children. From the first contact with the parents of the child, Medical screening, to the contact with our hospitals as well as the organization of accommodation and flight tickets. This means the investment a lot of time, dedication and private deprivation of all involved. I would like to extend my heartfelt thanks to all those involved, on behalf of the entire Divan, for their tireless work.

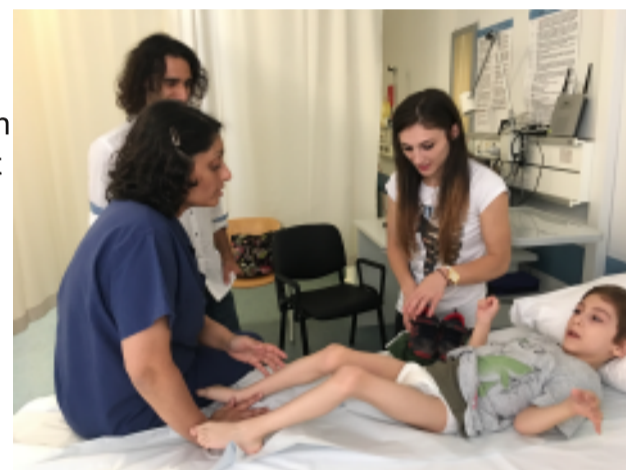

We currently have two children who are in a Shriners Hospital for Children in the US for treatment. Two children have just returned home after a successful treatment. In the foreseeable future, two other children will have to travel to the United States again for further treatments. In the case of approximately 6 children, we are currently in the process of clarifying whether we can help through our Shriners Hospital for Children and the Transportation Fund.

I am convinced that so far we have been able to make an important contribution to the Shriners' goals in Europe and will achieve more in the future.

## Boost

With each online purchase via boost you create a donation that doesn't cost you a single cent.

More than 10,000 boosters are already there. You can do it too!

The workers at Boost say:

"We know from our own experience (through Charity work), how difficult it can be to create active commitment in life. With our non-profit company "boost", we want to give all people a way to commitment to good causes - no matter how little money or time they have. Good things should be simple and make you happy." For all our Nobles that buy online with German companies, Boost is a way to generate donations for Emirat Shriners.

Login is worth it:

- 1 You can do good with any online purchase without extra costs.
- 2 You decide which charity should be supported with a donation.
- 3 There are no tricks and no hooks: boost is 100% nonprofit.

You can go to <https://www.boost-project.com> and check out how it works. The link is to their Homepage with a lot of information. There is more than 500 Online-shops that cooperate with Boost, something for everyone.

If you like the idea use this invitation-link below and they will give us a donation just because of your registration and after the first purchase.

Then select Emirat Shrine from the list of charities. If you do not want to register then just download the add on and order that way. If you are on a page that uses Boost a bar will appear at the top of the page to remind you to boost. Select Boost first - then load your shopping cart.

What is a "successful invitation"?

Invite friends and get more donations. Your invitation is successful if the person you invite to boost is registered as a user at boost and makes a purchase over boost.

If you invite your friends to boost, it is important that you use the intended features on the Weitersagen page. This is the only way to know which new registrations are made because of you and can guarantee that you receive your donation credit.

I know the web page is in German, this is only for people that order from German web sites, if you need help just contact me: Ward Williamson. I will do all I can to help you.

## It's all about the kids

to come from MarcoDear Nobles, Ladies and friends of the Emirat Shriners,

As a potentate you have many obligations and tasks but also a lot of fun and a nice time with the Nobles.

Our commitment is the help and care of our patients and future patients.

I am proud to be able to serve as a potentate for such a wonderful temple as the Emirat for 2017. I am also proud of the Divan, they are all highly motivated and committed. Also the members and the board of the transport funds make a super job. Just like every single Noble. True to this year's motto "it's all about the kids"!

Some big and small steps we have already taken this year. Since February 2017 we are a registered association. The Leipzig Shrine Club has hosted a wonderful Shriner's Night on the eve of the Buchloge. The Italian Nobles have had a wonderful ceremonial and Ball. The Bavarian Shrine Club had its founding meeting. Not to forget the great bingo afternoon of the ESC Heidelberg. And much more.

Our patients Laurentiu and Bianca were treated to Shriners Hospital for Children in Boston. Still in the Hospital are Khalid in Boston and Tobiasz in Tampa.

And in an uncomplicated manner, the Hanse Shrine Club and NISO (Italy) support the treatment of an Italian boy in his home country.

I look into the future at our Spring ceremonial, with over 20 Jimmies and look forward to the Imperial Session in Daytona FL.

There is an Emirate Shriners Golf Open in planning.

In the fall, we are awaiting the Imperial Potentate as a guest at a Ceremonial and Ball in Cyprus, which is a special honor for me and all of us. There will be a special Ceremonial in German language in the area Osnabrück. Also, I look forward to our Fall Ceremonial in November.

This year there will be a First Lady charity project. The goal is to support the Transportation Fund through donations so that at least one patient's stay at Shriners Hospital for Children is financially covered. For this reason, in addition to the usual Potentate Pin this year, there is also a Ladies Pin, silicone wristbands with this year's slogan and a limited edition of emirate stickers. More products will follow.

I am looking forward to the rest of this year with all of you and wish you and all Shriners patients health and happiness.

And do not forget!  
It's all about the Kids!

# Notes from the Assistant Rabban Session

First Shriners International offers many Training Sessions . Oriental Guide, Assistant Rabban, Public Relations, Membership. These sessions are paid for by Shriners International Emirat also as a budget to cover the cost of the Travel and Hotel.

To those that want to assist in the running of Emirat, we can see if you can attend one of the informative sessions.

A note the new Oriental Guide should try and plan to attend that training session. It comes up not so long after our election in January. The Session is in March each year.

Due to the short notice and my job I was not able to attend the Oriental Guide Session last year.

As I had a little space in my schedule this year I attended the Assistant Rabban Session this year.

First it was so good I will find time next year to attend again. The session includes almost all Assistant Rabban from the year. So you get together with the Nobles you met two years before as Oriental Guides.

Can exchange ideas and renew friendships. On top of that there are three days of training.

Here some of the subjects

Teamwork

Leadership

Fundraising

Budget & Planning

Shrine Law

Temple Risk Management

Shriners International Protocol

Event Planning

These and more all presented by Imperial Officers or professionals on the subjects. It is not just a read the Power Point, but lots of group sessions, brain storming.

Ill Potentate Chris and his Lady

I am glad that I was able to attend this session. I have been a Shriner for a very long time, was president of my Oasis, but the things I learned at this session will help me to be a better Officer in any organization. They will be invaluable to the work I do for our Shrine Center.

I was also able to make a visit to the International Headquarters. If you go to one of these Sessions or are just in Tampa, go by the Headquarters. They will greet you and it is a special place for Shriners

---

## A short visit that is worth it

### Shriners International Headquarters

I was also able to make a visit to the International Headquarters. If you go to one of these Sessions or are just in Tampa, go by the Headquarters. They will greet you and it is a special place for Shriners.

It only a \$6 Uber trip from the Airport. It is just an office building. But in front is the Shriner with child. Inside is a display of all Imperial Session pin. A Fez from each Temple. It is maybe only half an hour to look through it but worth it.

## “Mia san Mia!” ...

... if you have never heard this phrase, it is the Bavarian expression for making your own thing. Whereas under usual circumstances this would probably not be seen as polite and eventually even as arrogant, it was not so when the EMIRAT SHRINERS from Bavaria held their founding session for the Bavarian Shrine Club in Ingolstadt the centre of the Bavarian Free State on April 28th 2017.

After the meeting the present Illustrious Potentate Marco Sodenkamp said, this is “one more step into a bright future of EMIRAT SHRINERS”. Growing our membership is of utmost importance. But that alone does not make an individual Noble happy. There has to be this local ‘home’ where we meet, plan actions to support our kids and enjoy the unique fellowship of Shriners!”.

Since receiving its charter as a temple EMIRAT SHRINERS has created numerous clubs in order to cover Europe and in particular Germany. Currently our clubs are the ‘home’ for Shriners in Cyprus, Germany, Greece, Italy, Romania, Switzerland and Turkey. Shriners in Denmark, Latvia, Lebanon, The Netherlands, Scotland and Spain are just waiting for more Nobles joining the caravan in order to create clubs there.

When in fall 2016 more Nobles out of Bavarian Lodges joined EMIRAT it became obvious, that there is a club missing. But before the Bavarian Club could start in April there was a lot of energy, vision and action needed. PP Charsten Wienbreyer, who gave presentations to blue lodges in Nuremberg, Regensburg and had numerous talks with Brothers in Munich, Anspach, Lindau and other masonic centres he could really feel that the time has arrived to make a serious attempt to create the Bavarian Shrine Club.

Entrance to the Lodge building in Ingolstadt where the founding meeting was held

the entry to the parking lot). The meeting was held and the attendees all voted unanimously for starting the “BAVARIAN SHRINE CLUB” located in Ingolstadt. This event was so important, that even demitted Nobles showed up and consider seriously coming back!

The election of the provisional divan led to a clear structured leadership and first initiatives were discussed. PP Charsten Wienbreyer, now also member of the club, stated that after having installed the club divans in Cyprus and Turkey: “this Bavarian ‘thing’ is overall something very special. Even being in Germany and starting a German Club, I sometimes needed a translator as I couldn’t understand this d... Bavarian language. But we had great laugh over all this. So FUN has already arrived here!”

The provisional Divan with Noble Christoph as President after installation - all Nobles with a camel in the middle

Also for the current Illustrious Potentate, Marco Sodenkamp, the creation of the BSC is “another pinnacle in EMIRAT’s journey to help the temple grow. It is all about the kids we can give pediatric care or any other help they need to live an independent life. For this I wish the Club and its Divan a bright future. I am proud to be a member of this esteemed body.”

After wishing the club always a “parking lot full of camels”, presenting some gifts to the Illustrious Potentate and Past Potentate and after wishing all Nobles a safe journey home, Noble Christoph promised to bring the charter from the next EMIRAT ceremonial meeting upcoming and invited all Nobles to the first regular meeting as the chartered “BAVARIAN SHRINE CLUB” in Sankt Leon Rot on May 13, 2017.

Noble Christoph Hiendl right after his initiation as Noble confirmed his willingness to act as a focal point for preparing the founding meeting. Time and location were discussed and defined, documents were prepared, other clubs were requested to share experiences, potential officers were approached and potential initiatives were collected through brainstorming.

Very certainly now EMIRAT’s „Octoberfest-Enthusiasts Unit“ will become more active members and help creating one fix point in the Club calendar: an annual Club Meeting during the Octoberfest.

One important step was successfully done the Club with support from Noble Jens Rusch created an emblem, which give the Club the necessary identification.

When all preparations were done, Noble Christoph confirmed the meeting date asked for firm commitments for participation, prepared the meeting room in the excellent lodge building of Ingolstadt and welcomed the arriving Nobles (even to standing on the street like a police officer, when some non-locals couldn’t find
